15th SEED WORKSHOP & CME

Under the aegis of **Airway Management Foundation (AMF)** in association with **ISA, Varanasi Branch** at **HIMS, Varanasi**, on **26 & 27 April 2025**

- Airway managers need a clear understanding of certain basics of Airway Management for safe and effective management of the patients.
- AMF endeavours to ensure that all Airway Managers (Anesthesiologists, Intensivists, Pulmonologists, Emergency Physicians etc) have indepth knowledge of must know areas in Airway Management; not just the skills but also the science behind those skills.
- AMF Seed Workshops aim at covering these basics exhaustively.
